## CHS SCHOLARSHIP INFORMATION AND ACADEMIC CONNECTIONS MEMBERSHIP FORM

Welcome back for another successful year at Cypress High School and our PTSA Scholarship Programs.

There are a number of ways students are recognized for their achievements here at CHS.

See the sections below for additional information about each program.

- **Academic Connections** is a program that provides scholarships to graduating seniors. These scholarships are supported by the donations provided by parents and students who join. The more who sign up, the bigger the scholarships. Everyone is encouraged to join! To apply for an Academic Connections Scholarship, the student must be a member of the Academic Connections program (form below).
- **PTSA Senior Scholarships** are also offered each year by the CHS PTSA. The PTSA Scholarships are paid for by funds raised throughout the year and by generous donations made by families. To apply for a PTSA Scholarship, the student must be a member of the PTSA (see the separate PTSA membership form).
- **Centurion Pins** are awarded to those who maintain a 3.0 GPA for any three semesters. These semesters do not need to run consecutively. Sophomores and higher are eligible, but pins are only awarded once during a student's time at CHS.

**Centurion Pin applications will be emailed in February.**

**Senior scholarship applications will be emailed in March.**
